EXECUTIVE SUMMARY

The Ministry of Information, Communication and Information Technology (MICIT)- URT in collaboration with the Ministry of Posts, Telecommunication and New Information Technology and the Embassy of the United

Republic of Tanzania in DRC has organized the Tanzania & Democratic Republic of Congo ICT Investment forum, 2022 that will take place from 18th - 19th October 2022 at Lubumbashi, DRC.

August, 2022

Tanzania-DRC ICT Investment Forum 2022 is stressed to strengthen and close the ties between URT and DRC noting the significance, experiences and successes stories made on ICT to attain the of digital transformation in the two countries including: -

- A.** Significance of OFC broadband connectivity between Tanzania and DRC (Kalemie-Moba-Uvira) through Lake Tanganyika;
- B.** Showcase investment and business opportunities on ICT Platforms, Solutions and Skills to leverage digital economy as pillars of the friendly ties between the two countries;
- C.** Necessity of cross border trade between URT and DRC;
- D.** Noting advantageous geographical position of Tanzania, the Forum will avail investment opportunities available to DRC to create a Blue Economy in Tanzania and
- E.** Investment opportunities from other sectors of focus including transport and logistics, OFC Factory, Finance and Banking Services, etc.

OBJECTIVES

1 COLLABORATION

Foster collaboration with DRC for development of broadband Infrastructures including the National ICT Broadband Backbone (NICTBB) and digital solutions and services

2 PROMOTION

Promote Investment and Trade opportunities arising from the Blue Economy and Digital Technologies, Platforms and Skills

3 TRADE & INVESTMENT

To create Trade and Investment opportunities for businesses involved in digital solutions, platforms and skills
